Shades of Distinction

METAL ROOF AND WALL PANELS

PRODUCT AVAILABILITY

NOTES: Other combinations of gauges and colors may be in stock, available by special request. Please contact your RM Metal Roofing Supply representative for more information. Coils are coated with Sherwin-Williams.® Fluropont® coil coating systems, containing PVDF Kynar 500®/Hylar 5000® resins. Some colors are also available in Silicone Modified Polyester coatings. Colors are representative of colors offered and are not intended for matching purposes.
